Sir:

**Petition to Withdraw an Application from Issue Under 37 CFR 1.313(c)(2)**

Applicants respectfully request Withdrawal from Issue of the above-identified Application under 37 CFR 1313(c)(2).

In accordance with 37 CFR 1313(c)(2), Applicants concurrently file herewith a Request for Continued Examination under 37 CFR 1.114 and an Information Disclosure Statement which includes Form PTO-1449.

Applicants note that the issue fee and publication fee for the above-identified Application were paid on July 25, 2005. Then, on September 22, 2005, an Office Action was mailed by the United States Patent and Trademark Office in a related U.S. Application (number 09/778,818). The enclosed Form PTO-1449 discloses the three references cited in the Office Action.

Applicants respectfully submit that none of these references, alone and/or in combination with other references of record, affects the novelty and/or patentability of the claimed invention.

In order to ensure that a patent will not issue without explicitly citing the newly submitted references, Applicants submit herewith the above-mentioned Request for Continued Examination and an Information Disclosure Statement which includes Form PTO-1449.
